

**Reflection - Journal: What will the world be like in 50 years?**

What do you think the world will be like in 50 years? Will there be flying cars? What kind of clothes will we be wearing? What do you think some of the most popular foods will be? Take some time to think about the questions and prompt, write or draw what you think the answers to these questions will be. For an extra challenge write a short story about it.
