

Reflection - Journal: What would you invent?

We have many different things in our world today that started with a simple idea. What would you invent? What need would you fill? Take some time to write down your idea and sketch it out, take it a step further and see if you can build a prototype.

Give your invention a name and describe it in the comment section below!

Materials

- Paper or journal
- Markers/crayons/colored pencils or paints
- Pencil or pen
- Materials to build with
